OP-280HY OPTY™

The Wonder Grip® OP-280RR Opty™ is our super-thin latex coating general handling type glove. Flexible and robust, it also offers great dexterity, improved comfort and outstanding grip in wet and dry conditions. OP-280RR is constructed on a 13-gauge red polyester to keep the user's hands visible and be safer on the job. Seamless and breathable on the back of the hand, it reduces perspiration and skin irritation. OP-280RR provides an excellent natural fit, for continuous comfort over long periods of use. The Wonder Grip premium latex coating improves abrasion resistance for a longer lifespan.
