WG-555 DUO

The Wonder Grip® WG-555 Duo is based on our innovative DuaLiner™: the nylon knit wrist goes up to the middle of the hand to ensure a snug and secure fit, while the breathable microfibre knit liner for the knuckles and fingers provides excellent dexterity, softness and fingertip precision. WG-555 Duo's breathable foam nitrile coating contributes towards keeping your hands dry and maintaining a great grip in a wide variety of applications, helping you overcome work challenges every day.

KEY FEATURES

✔ Ultra-lightweight microfiber and nylon liner designed to accelerate moisture evaporation

✔ Freedom of movement on the upper hand with a snug wrist fit for improved sensitivity and comfort

✔ Foam nitrile coating providing a secure grip in wet and lightly oily environments

✔ Anatomically engineered to reduce hand fatigue while ensuring precision and comfort

TYPE OF PROTECTION

• General purpose

APPLICATIONS

• Aerospace
• Assembly
• Food industry
• Mechanical industry
• Automotive
• Warehousing packing and logistics
