WG-640 DEXCUT®

The Wonder Grip® WG-640 Dexcut® combines our signature flexibility, dexterity and grip while offering excellent cut resistance (ISO 13997 level C and ANSI/ISEA 105 level A3). Developed using our proprietary high-performance blend of reinforced nylon and mineral fibre, WG-640 Dexcut® is the ideal glove for all your applications requiring medium-level cut resistance in dry, humid and oily environments.

KEY FEATURES

- ✔ Lightweight seamless liner providing fingertip sensitivity with A4/C cut protection
- ✔ Anatomically engineered to reduce hand fatigue and improve comfort
- ✔ Foam nitrile coating providing a secure grip in wet and lightly oily environments
- ✔ Exceptional dexterity and tactility

TYPE OF PROTECTION

- Heat resistance
- Cut resistance

APPLICATIONS

- Assembly
- Automotive
- Airports and ports
- Metallurgy
- Public authorities
- Railways
