

OP-255 OPTV™

The Wonder Grip® Opty™ OP-255 is constructed on a technical, soft and ultra-stretchable liner with our robust premium latex coating for grip and anti-wear properties. The liner thicker on the palmer side of the hand, enhances protection, preventing shock injuries whilst offering great dexterity at the fingertips. OP-255 benefits from the Dualiner™ technology and its special support on the back of the hand ensuring a snug and secure fit for optimal comfort for continuous comfort over long periods of use.

KEY FEATURES

- ✓ Longer cuff offering superior protection and comfort, thus surpassing industry standards
- ✓ Designed to reproduce the natural shape of the hand, reducing hand fatigue and increasing comfort
- ✓ Super-thin latex coating, ensuring ultimate suppleness with maximum tactile sensitivity
- ✓ Lightweight seamless liner offering a snug fit and maximizing dexterity
