

WG-1865 DEXCUT®

The Wonder Grip® WG-1865 Dexcute® is an 18-gauge glove delivering ISO 13997 level B and ANSI/ISEA 105 level A2 cut protection. Built on an in-house engineered shell, it provides efficient protection against low cut hazards while ensuring exceptional flexibility and comfort within its category. In addition, the glove is touchscreen compatible, enabling professionals to operate smartphones and digital devices without removing their protection. The Wonder Grip® WG-1865 Dexcute® combines reliable low cut protection, ergonomic comfort, and modern functionality, making it the ideal choice for workers seeking safety and efficiency in daily applications.
