

WG-708 DEXCUT®

The Wonder Grip® WG-708 Dexcute® is a 15-gauge glove offering ISO 13997 level D and ANSI/ISEA 105 level A4 cut protection. Its liner combines Tsunooga™ high-performance polyethylene (HPPE) fibre with spandex, delivering outstanding tensile strength, durability, and flexibility while remaining lightweight and skin-friendly for extended comfort. Designed with a ¾ nitrile back-coating, the WG-708 ensures reliable protection and grip in both dry and oily environments. Balancing robust cut resistance with ergonomic comfort, it is an ideal choice for industries requiring both safety and liquid resistance, enabling secure, efficient handling in demanding work conditions.

KEY FEATURES

- ✓ Soft flexible liner, engineered with Tsunooga® Japanese yarn to offer cut level A4/D protection
- ✓ Extremely robust and flexible nitrile coating offering unrivalled oil and mechanical resistance
- ✓ Anatomically engineered, reducing hand fatigue and increasing comfort
- ✓ Longer cuff offering superior protection and comfort, thus surpassing industry standards

TYPE OF PROTECTION

- Liquids
- Heat resistance
- Industrial oils
- Cut resistance

APPLICATIONS

- Mechanical industry
- Automotive
- Oil and Gas
- Mining industry
- Metallurgy
- Glass
- Waste management

NORMS AND CERTIFICATIONS
