

WG-338L THERMO PLUS GUARD

The Wonder Grip® WG-338L Thermo Plus Guard is a 30cm long, double latex-coated glove, masterfully crafted on a 13-gauge acrylic liner. With its Wonder Grip Technology™ coating, it assures impeccable grip and resilience, both in dry and aqueous conditions. Designed with dual emphasis, the Wonder Grip® WG-338L Thermo Plus Guard offers both cold resistance and full waterproofing. It stands as the ideal choice for challenging tasks in sub-zero temperatures.

KEY FEATURES

- ✓ Brushed acrylic single liner, providing additional insulation and protection against the cold
- ✓ Cold-resistant and water-repellent latex coating offering unparalleled comfort, dexterity and flexibility, thus surpassing industry standards
- ✓ High-visibility orange to ensure the user's hands are visible and be safer on the job
- ✓ Soft yet robust technical liner, engineered to offer protection against the cold and heat, as well as cut level A3/C protection
