

WG-2196 DEXCUT®

The Wonder Grip® WG-2196 Dexcut® 21G | Twenty-one series is a glass-fibre-free glove developed with the same R&D principles as our 21-gauge range, offering bare-hand tactility, ergonomic fit, and outstanding suppleness with extreme cut protection. Certified to ISO 13997 level F and ANSI/ISEA 105 level A6, it ensures maximum safety in high-risk tasks. Its ultra-lightweight seamless liner, engineered from premium technical fibres, delivers durability, skin-friendliness, and long-term comfort. Enhanced with Wonder Grip Technology™ nitrile coating and TPDT™ pre-curved ergonomic moulding, the WG-2196 provides a secure, controlled grip in dry and oily conditions, making it a premium solution for precision handling.

KEY FEATURES

- ✓ Anatomically engineered for a controlled grip and skin-friendly, ensuring a very high level of comfort over long periods of time
- ✓ High grip performance for safe handling in dry-to-oily environments
- ✓ Ultra-soft and thin seamless liner, maximizing touch sensitivity and overall comfort
- ✓ An in-house-engineered, ultra-lightweight, fibreglass-free liner with A6/F superior cut protection and an anatomical fit.
