

WG-799 DEXCUT®

The Wonder Grip® WG-799 Dexcute® is a glass-fibre-free glove engineered with advanced high cut-resistant fibres, delivering maximum protection with ISO 13997 level F and ANSI/ISEA 105 level A9 certification. Designed for extreme cut and laceration risks, it is ideal for the toughest industrial applications. Balancing uncompromising safety with freedom of movement, the WG-799 features a robust, ergonomic design that reduces fatigue and ensures lasting comfort. Its durable coating provides a secure, reliable grip in dry and slightly wet environments. Standing out in its class, the WG-799 is the ultimate solution for high-risk, heavy-duty tasks where safety is critical.

KEY FEATURES

- ✓ Anatomically engineered, breathable on the back of the hand and skin-friendly, ensuring a very high level of comfort
- ✓ Outstanding suppleness with maximum comfort
- ✓ Extremely durable latex coating with increased resistance around the thumb for extended use
- ✓ Excellent grip performance for safe handling in dry-to-wet applications
- ✓ In-house engineered, fiberglass-free liner with A9/F superior cut protection and an anatomical fit

TYPE OF PROTECTION

- Heat resistance
- Cut resistance

APPLICATIONS

- Metallurgy
- Airports and ports
- Waste management
- Construction and public works
- Railways
- Mining industry
