

WG-797 DEXCUT®

The Wonder Grip® WG-797 DEXCUT® is a glass-fibre-free glove offering exceptional cut protection without the stiffness or bulk of typical high-performance gloves. Engineered with advanced cut-resistant fibres, it delivers ISO 13997 level F and ANSI/ISEA 105 level A7 protection, ensuring reliability in severe cut-risk industrial applications. Its ergonomic 13-gauge design promotes long-lasting comfort and reduces fatigue, while the Wonder Grip® Technology™ nitrile coating enhances grip in dry, slightly oily, and greasy environments. The WG-797 enables precise, confident handling, making it a trusted choice for demanding work requiring both safety and dexterity.

KEY FEATURES

- ✓ High grip performance, preventing hand fatigue and contributing to safer handling of hazardous goods
- ✓ Reinforced thumb crotch for increased protection and extended use-life
- ✓ Tailored to the natural shape of the hand, reducing hand fatigue and increasing comfort
- ✓ In-house engineered, fiberglass-free liner with A7/F superior cut protection and an anatomical fit

TYPE OF PROTECTION

- Heat resistance
- Cut resistance

APPLICATIONS

- Automotive
- Mechanical industry
- Airports and ports
- Mining industry
- Metallurgy
- Public authorities
- Railways

NORMS AND CERTIFICATIONS

INFORMATIONS

• Coating level	Nitrile, Palm coated
• Support	Spandex, HPPE, Polyester, Steel Fiber
• Gauge	13
• Size	6, 7, 8, 9, 10, 11
• Packaging	144 pairs / box, 12 pairs / polybag
