

WG-052 Kynethic Thermo Guard

The Wonder Grip® WG-052 Kynethic Thermo Guard is a 30 cm thermal glove designed for wet, oily, and cold environments, delivering liquid protection, insulation, breathability, and dexterity. Rated cold resistant under EN 511, it ensures reliable performance in low temperatures. Featuring the Wonder Grip Absolute™ coating, produced with a patented coagulant-free solidification process, it eliminates coagulants, DMF, and methanol, reducing VOC emissions for sustainable production. Its nano-engineered, single-layer PU film provides a strong grip in wet or oily conditions while staying lightweight and breathable. With an acrylic thermal liner, the WG-052 offers warmth, flexibility, and precise handling in demanding environments

KEY FEATURES

- ✓ Soft acrylic loop pile liner providing comfort and protection against the cold
- ✓ Longer cuff providing extended protection and comfort
- ✓ Micro-dot palm design enhances wear resistance and grip
- ✓ Free from harmful chemicals and pollutants, supporting wearer safety

TYPE OF PROTECTION

- Liquids
- Heat resistance
- Cut resistance
- Cold resistance
- Industrial oils

APPLICATIONS

- Construction and public works
- Agriculture
- DIY
- Oil and Gas
- Waste management
- Public authorities
- Airports and ports
- Food industry
- Warehousing packing and logistics
