

## WG-338W THERMO PLUS DOUBLE

The Wonder Grip® WG-338W Thermo Plus Double is a fully double latex-coated glove constructed on a 13-gauge acrylic liner. Thanks to the Wonder Grip Technology™ coating, it brings users grip and resistance in dry and watery environments.

The WG-338W has been designed to provide double protection: cold resistance and 100% waterproof, as well as cut level C/ A3 protection. It is the perfect solution for users seeking a glove offering flexibility even in below-freezing temperatures.

### KEY FEATURES

- ✓ Brushed acrylic single liner, providing additional insulation and protection against the cold
- ✓ Cold-resistant and water-repellent latex coating offering unparalleled comfort, dexterity and flexibility, thus surpassing industry standards
- ✓ High-visibility yellow to ensure the user's hands are visible and be safer on the job

### TYPE OF PROTECTION

- Liquids
- Cut resistance
- Cold resistance

### APPLICATIONS

- Construction and public works
- Agriculture
- Waste management
- Public authorities
- Warehousing packing and logistics
