

WG-798 DEXCUT®

The Wonder Grip® WG-798 DEXCUT® is constructed using a proprietary 13-gauge ultra-high cut-resistant knit, free of both glass-fiber and stainless steel. In accordance with ISO13997 and ANSI/ISEA 105 standards, the Wonder Grip® WG-798 DEXCUT® exhibits excellent cut resistance at level F and A8. Through rigorous research and discerning material choice, Wonder Grip® achieves an impeccable balance between superior protection and optimal hand motion, ensuring remarkable dexterity and unmatched comfort for every wearer. Additionally the WG-798 DEXCUT® benefits also from the Wonder Grip Technology™ nitrile coating for a secure grip in dry, slightly damp or oily conditions. The Wonder Grip® WG-798 DEXCUT® is the preferred choice for professionals seeking forefront hand protection, delivering the highest cut resistance while preserving ergonomic comfort, skin-friendly fabric and grip power.

KEY FEATURES

- ✓ In-house engineered, stainless steel and fiberglass-free liner with A8/F superior cut protection and an anatomical fit
- ✓ Enhanced hand movement for improved dexterity and reduced hand fatigue
- ✓ Reinforced thumb crotch for increased protection and extended use-life
- ✓ Superior grip performance for precise handling in dry-to-wet applications

TYPE OF PROTECTION

- Cut resistance
- Heat resistance

APPLICATIONS

- Glass
- Waste management
- Public authorities
- Railways
- Automotive
- Metallurgy
