

## WG-1887+ DEXCUT®

The Wonder Grip® WG-1887+ Dexcut® is a glass-fibre-free glove with an 18-gauge liner and ¾ nitrile back-coating, offering ISO 13997 level D and ANSI/ISEA 105 level A4 cut protection with extended liquid resistance. Its in-house engineered shell ensures exceptional comfort and suppleness, redefining standards in its class. The ¾ nitrile back-coating shields against liquid projections while preserving flexibility, breathability, and grip. Enhanced with Wonder Grip Technology™ and TPDT™ pre-curved ergonomic design, the WG-1887+ delivers superior comfort, precise handling, and a secure grip in dry, slightly wet, and oily environments, making it ideal for medium cut-risk applications.

### KEY FEATURES

- ✓ Ultra-lightweight and thin liner offering outstanding suppleness with cut level A4/D protection
- ✓ Anatomically engineered for a controlled grip and skin-friendly, ensuring a very high level of comfort over long periods of time
- ✓ Excellent tactile sensitivity with freedom of movement and enhanced comfort
- ✓ Exceptional anti-wear properties and ¾ back coating designed to protect the knuckles and fingers

### TYPE OF PROTECTION

- Heat resistance
- Cut resistance

### APPLICATIONS

- Automotive
- Metallurgy
- Airports and ports
- Assembly
- Public authorities
- Railways
