

OP-608 OPTY™

The Wonder Grip® OP-608 Opty™ is a fully nitrile-coated glove, constructed on a 13-gauge polyester liner. The nitrile coating brings an exceptional grip in dry to wet environments whilst providing durability and high resistance to abrasion. The OP-608 Opty™ benefits from TPDT™ technology, conferring freedom of movement and the increased sensitivity that has earned Wonder Grip® its international reputation.

KEY FEATURES

- ✓ Designed to reproduce the natural shape of the hand, for ease of movement and continuous wear
- ✓ High resistance to industrial oils and abrasion
- ✓ Flexible and durable nitrile-dipped coating
- ✓ Excellent grip performance for safe handling in dry-to-wet applications

TYPE OF PROTECTION

- General purpose
- Industrial oils
- Liquids

APPLICATIONS

- Construction and public works
- Public authorities
- Airports and ports
- Mining industry
- Waste management
