WG-1887 DEXCUT®

The Wonder Grip® WG-1887 Dexcut® is an 18-gauge glove delivering ISO 13997 level D and ANSI/ISEA 105 level A4 cut protection. Built on an in-house engineered shell, it offers superior protection against medium cut hazards while providing unrivalled comfort and suppleness within its category.

With its single nitrile coating enhanced by Wonder Grip Technology™ and preformed TPDT™ (Thermo-set Pre-Curved Design Technology™), the WG-1887 delivers exceptional ergonomic performance and a secure, confident grip in dry, slightly wet, or oily conditions.

The Wonder Grip® WG-1887 Dexcut® combines high cut protection, ergonomic comfort, and advanced grip performance, making it the ideal solution for professionals who require precision, safety, and durability in demanding environments.

KEY FEATURES

- ✔ Reinforced thumb area for increased protection and extended service life
- ✔ Ultra-lightweight, thin liner providing high suppleness with A4/D cut protection
- ✔ Anatomically engineered for a controlled grip and skin-friendly, ensuring a high level of comfort over long periods
- ✔ Excellent tactile sensitivity with freedom of movement and enhanced comfort

TYPE OF PROTECTION

- Heat resistance
- Cut resistance

APPLICATIONS

- Automotive
- Assembly
- Metallurgy
- Warehousing packing and logistics
