

WG-740 DEXCUT®

The Wonder Grip® WG-740 Dexcute® combines our signature flexibility, dexterity and grip while offering excellent cut resistance (ISO 13997 level D and ANSI/ISEA 105 level A4). Developed using our proprietary high-performance blend of reinforced nylon and mineral fibre, WG-740 Dexcute® is the ideal glove for all your applications requiring medium-high level cut protection in dry, humid and oily environments.

KEY FEATURES

- ✓ Anatomically engineered, reducing hand fatigue and increasing comfort
- ✓ Proprietary foam nitrile coating, providing a secure grip in wet and slightly oily environments
- ✓ Exceptional dexterity and tactility, thus surpassing industry standards
- ✓ Lightweight seamless liner offering sensitivity at fingertips with cut level A4/D protection

TYPE OF PROTECTION

- Heat resistance
- Cut resistance

APPLICATIONS

- Assembly
- Automotive
- Metallurgy
- Waste management
