WG-1897 DEXCUT®

The Wonder Grip® WG-1897 Dexcut® is a glass-fibre-free glove developed with the same R&D approach as our 18-gauge range, combining ergonomic design and advanced fibre technology for superior protection. Certified to ISO 13997 level F and ANSI/ISEA 105 level A7 cut resistance, it meets the toughest handling demands. Its ultra-fine liner blends high-performance cut-resistant fibres with ergonomic shaping, ensuring natural movement and tactile precision. Finished with Wonder Grip Performance™ nitrile coating, the WG-1897 delivers secure grip in dry, slightly oily, and greasy conditions, enabling confident, precise, and efficient work throughout the day.

KEY FEATURES

- ✔ Reinforced thumb area for increased protection and extended service life
- ✔ Anatomically engineered for a controlled grip and skin-friendly, ensuring a high level of comfort over long periods
- ✔ Excellent tactile sensitivity with freedom of movement and enhanced comfort
- ✔ Ultra-lightweight, thin fibreglass-free liner providing A7/F cut protection

TYPE OF PROTECTION

- Heat resistance
- Cut resistance

APPLICATIONS

- Automotive
- Assembly
- Public authorities
- Airports and ports
- Glass
- Railways
