OP-775HY OPTY™

The Wonder Grip® OP-775HY Opty™ offers a smooth fit to the shape of the hand and an uncompromising level of safety for medium cut hazards (ISO 13997 level C and ANSI/ISEA 105 level A3). With its flexible cut resistant shell and Wonder Grip® Xtended Performances XP!™ coating, OP-775HY offers a smooth fit and a solid grip. Ideal for work in a dry environment, good breathability is also guaranteed thanks to the ventilated back of the glove.
