

WG-28FP IRONELITE

The Wonder Grip® WG-28FP IronElite is a 30 cm gauntlet glove delivering ISO 13997 level E cut protection. Constructed with Tsunooga® high-performance polyethylene (HPPE) fibre, it combines superior cut resistance with exceptional strength and durability.

With its triple nitrile coating, the WG-28FP IronElite ensures outstanding abrasion resistance, powerful grip, and complete liquid protection, even in demanding environments. Thermo-plastic rubber (TPR) reinforcements across the back of the hand provide robust impact protection, while the cushioned palm enhances comfort and absorbs shocks during heavy-duty tasks.

The Wonder Grip® WG-28FP IronElite offers unmatched protection against cuts, industrial oils, impacts, and heat. Combining extended 30 cm liquid protection, robust impact resistance, and ergonomic comfort, it is the ultimate solution for professionals working in the harshest industrial environments, ensuring even the toughest tasks are tackled with utmost confidence.

KEY FEATURES

- ✓ Soft flexible liner, engineered with Tsunooga® Japanese yarn to offer cut level A4/E protection
- ✓ Extremely robust and flexible nitrile coating offering unrivalled oil and mechanical resistance
- ✓ Maximum grip performance and extreme durability
- ✓ Robust, soft, and stretchable TPR shielding ensuring advanced protection while maintaining unhindered motion.

TYPE OF PROTECTION

- Liquids
- Industrial oils
- Cut resistance
- Impact protection

APPLICATIONS

- Metallurgy
- Automotive
- Public authorities
- Airports and ports
- Glass
- Oil and Gas
- Railways
- Mining industry
