

WG-33FP IRONSHIELD

The Wonder Grip® WG-33FP IronShield is a glove with a double latex coating constructed on a 10-gauge cotton and polyester liner. Wonder Grip® HDML™ coating inherently combines effective high-friction coefficient, excellent wear resistance properties and the high less fatiguing grip performance in its segment. Wonder Grip® WG-33FP features on the back of the hand, a thermo-plastic rubber (TPR) reinforcement, providing knuckles and back-of-hand protection, while also offering the comfort, freedom of movement and an everlasting grip that has earned Wonder Grip® its international reputation. Wonder Grip® WG-33FP IronShield is specially designed for heavy work, offering its wearer an impressive set of protections: Heat, Cold, Cut and Impact.

KEY FEATURES

- ✓ Robust, soft, and stretchable TPR shielding ensuring advanced protection while maintaining unhindered motion.
- ✓ Soft yet robust technical liner, engineered to offer protection against the cold and heat, as well as cut level B protection
- ✓ Exceptional anti-wear properties and double protection against thermal hazards, thus outmatching similar products
- ✓ Extremely durable latex coating with increased resistance around the thumb for extended use

TYPE OF PROTECTION

- Cut resistance
- Cold resistance
- General purpose
- Heat resistance

APPLICATIONS

- DIY
- Agriculture
- Public authorities
- Mining industry
- Construction-and-public-works
