

## WG-348 THERMO LITE PLUS

The Wonder Grip® WG-348 Thermo Lite Plus is a waterproof, thermal double-coated glove, constructed on a warm and comfortable 13-gauge acrylic liner. Extremely flexible and soft it benefits from the Wonder Grip Technology™ latex coating, delivering control grip and dexterity in versatile environments. The WG-348 Thermo Lite Plus is the perfect solution for users seeking comfort and secure handling in cold and wet environments.

### KEY FEATURES

- ✓ Cold-resistant and liquid-repellent for working in challenging environments, offering a comfortable tactile sensation and improved grip
- ✓ Anatomically engineered for a controlled grip and skin-friendly, ensuring a very high level of comfort over long periods of time
- ✓ Excellent grip performance for safe handling in dry-to-wet applications
- ✓ Longer cuff offering superior protection and comfort, thus surpassing industry standards
