WG-422 BEE-SMART

The Wonder Grip® WG-422 Bee-Smart encapsulates our Bee-series™ knitting technique and our in-house developed latex, the HDML™ coating. The upper part of the gloves is made of an ultra-lightweight liner offering both high resistance to torsion and unmatched breathability. Bee-series™ knitting technique creates a unique shape on the palm maximizing the coefficient of friction delivered by the coating itself. The low part of the glove benefits from the DuaLiner™ technology and its special support on the back of the hand ensuring a snug and secure fit. WG-422 Bee-Smart sets a new standard for comfort at work and becomes the ultimate glove for general handling work.

KEY FEATURES

- ✔ Ultra-lightweight liner offering both high resistance to torsion and unmatched breathability
- ✔ Knitting technique creating a unique shape on the palm and maximizing grip
- ✔ High grip performance for safe handling in dry and wet applications
- ✔ Soft coating, enhancing hand movement for superior dexterity and reduced muscular fatigue

TYPE OF PROTECTION

- General purpose
- Heat resistance

APPLICATIONS

- Construction-and-public-works
- Warehousing-packing-and-logistics
- DIY
- Assembly
