

WG-500

WG-500 Flex is a glove with a single nitrile coating constructed around a 13-gauge nylon liner. The economical solution, that benefits from Wonder™ nitrile micro foam coating technology, brings an exceptional grip and comfort for tasks such as parts assembly and warehouse handling. The WG-500 Flex is an excellent choice for a general-purpose glove that performs well in wet, slightly oily and dry conditions.

TYPE OF PROTECTION

- General purpose

APPLICATIONS

- Mechanical industry
