WG-522W BEE-TOUGH

The Wonder Grip® WG-522W Bee-Tough combines Bee-series™ knitting technique and a nitrile coating providing oil resistance and an optimal long-lasting grip. The upper part of the gloves is made of an ultra-lightweight liner offering both high resistance to torsion and unmatched breathability. Bee-series™ knitting technique creates a unique shape on the palm, maximising the coefficient of friction delivered by the coating itself. The low part of the glove benefits from the DuaLiner™ technology and its special support on the back of the hand ensuring a snug and secure fit. Features Bee-series™, DuaLiner™ and a nitrile coating, WG-522W Bee-Tough sets a new standard for comfort at work, in a greasy and oily environment.

KEY FEATURES

- ✔ Ultra-lightweight liner offering both high resistance to torsion and unmatched breathability
- ✔ Knitting technique creates a unique palm shape and enhances grip
- ✔ High grip for safe handling in dry-to-oily environments
- ✔ Soft coating enhances hand movement for improved dexterity and reduced fatigue

TYPE OF PROTECTION

- General purpose
- Heat resistance

APPLICATIONS

- Assembly
- Construction and public works
- Warehousing packing and logistics

NORMS AND CERTIFICATIONS

EN 388 — 4121X

EN 407 — X1XXXX

INFORMATIONS

• **Coating level**	Nitrile, Palm coated
• **Support**	Polyester
• **Gauge**	13
• **Size**	7, 8, 9, 10, 11
• **Packaging**	144 pairs / box, 12 pairs / polybag
