

WG-733 DEXCUT®

The Wonder Grip® WG-733 Dexcute® is designed for heavy-duty tasks in dry or slightly greasy environments where medium to heavy cut hazards are present. Certified to ISO 13997 level D and ANSI/ISEA 105 level A4, it delivers high protection while maintaining durability and comfort throughout extended use.

The specially developed HDML™ coating provides a non-slip surface, exceptional wear resistance, and double protection against thermal risks, ensuring reliable performance in semi-dry working conditions.

The Wonder Grip® WG-733 Dexcute® combines advanced cut protection with a comprehensive set of protection, making it the ultimate glove for all-round safety and performance in demanding environments.

KEY FEATURES

- ✓ Soft yet robust technical liner, engineered to offer protection against the cold and heat, as well as cut level A4/D protection
- ✓ Exceptional anti-wear properties and double protection against thermal hazards.
- ✓ Extremely durable latex coating with increased resistance around the thumb for extended use

TYPE OF PROTECTION

- Heat resistance
- Cold resistance
- Cut resistance

APPLICATIONS

- Construction-and-public-works
- Metallurgy
- Waste management

NORMS AND CERTIFICATIONS

INFORMATIONS

• Coating level	Latex, Palm coated
• Support	Spandex, Polyester, TheCross®
• Gauge	10
• Size	7, 8, 9, 10, 11
• Packaging	144 pairs / box, 12 pairs / polybag
