

WG-758L DEXCUT®

The Wonder Grip® WG-758L Dexcute® delivers ISO 13997 level C and ANSI/ISEA 105 level A3 cut protection. It is developed to answer nowadays demanding and increasingly complex working environments. Our WG-758L integrates a 15-gauge cut-resistant liner into a nitrile shell for exceptional dexterity and tactility versus standards of the industry. Chemical and cut-resistant certified level C/ A3 protection, WG-758L features the appropriate protection against chemicals and medium cut hazards.

Wonder Grip Technology™ nitrile coating combined with our preformed molds TPDT™ technology (Thermo-set Pre-Curved Design Technology™) makes WG-758L the perfect solution for excellent ergonomic performance and unrivalled grip in slippery environments.

KEY FEATURES

- ✓ Ultra-thin and flexible nitrile coating with an optimised fit for the highest level of comfort, chemical protection, and cut level A3/C protection
- ✓ High grip performance, preventing hand fatigue and contributing to safer handling of hazardous goods
- ✓ The long cuff can be folded to prevent chemicals from dripping down the wearer's arms and body
- ✓ Featuring chemical and cut resistance as well as exceptional tactility, thus surpassing industry standards

TYPE OF PROTECTION

- Liquids
- Industrial oils
- Cut resistance
- Chemical
- Heat resistance

APPLICATIONS

- Agriculture
- Waste management
- Oil-and-Gas

NORMS AND CERTIFICATIONS
