

WG-768 DEXCUT®

WG-768 Dexcute® is the latest innovation from Wonder Grip, offering high cut resistance and excellent grip thanks to its latex coating and Wonder Grip Technology™. This glove is constructed from a liner made of HPPE, mineral fibers, polyester, nylon, and spandex, providing optimal flexibility and high durability in both dry and wet environments. The WG-768 Dexcute® offers high cut resistance (ISO 13997 grade D) while ensuring comfort and dexterity. This model is ideal for demanding tasks requiring effective protection against cuts.

KEY FEATURES

- ✓ High grip performance for safe handling in dry and wet applications
- ✓ Water-repellent coating with a natural fit, for continuous comfort over long periods of use
- ✓ Soft flexible liner, engineered with Tsunooga® Japanese yarn to offer cut level A4/D protection
- ✓ High grip performance, preventing hand fatigue and contributing to safer handling of hazardous goods

TYPE OF PROTECTION

- Liquids
- Heat resistance
