

## WG-88FP IRONPRO

The Wonder Grip® WG-88FP IronPro is a single nitrile coated glove, in a 13-gauge Tsunooga™ high performance polyethylene fibres liner providing high cut resistance (ISO 13997 grade D), while offering unrivalled flexibility and unparalleled comfort. WG-88FP features on the back of the hand, a thermo-plastic rubber (TPR) reinforcement, providing knuckles and back-of-hand protection, while also offering the comfort, freedom of movement and an everlasting grip that has earned Wonder Grip® its international reputation. The Wonder Grip® WG-88FP IronPro is the choice of professionals seeking for an innovative cut-resistant glove combining additional impact protection, ergonomic performance and unrivalled gripping power in dry, slightly wet or oily conditions.

### CARATTERISTICHE PRINCIPALI

- ✓ Robust, soft, and stretchable TPR shielding ensuring advanced protection while maintaining unhindered motion.
- ✓ Liner morbido e flessibile, progettato con filato giapponese Tsunooga® per offrire resistenza ai tagli di livello A4/D
- ✓ Cavallo del pollice rinforzato per maggiore protezione e durata
- ✓ Compatibile con schermi touch-screen per migliorare le condizioni di lavoro.
